The **2019 First Reserve Cabernet Sauvignon** was barrel aged in new and once used French oak for **22 months**. This wine exhibits a deep ruby color and is well structured with firm tannins and a rich mouthfeel and lengthy finish. It features notes of fragrant dark fruit, chocolate, licorice, vanilla, and spices. WINE
(DONATED BY
DR. LINDSTROM)

2003 CAYMUS SPECIAL SELECT
CABARNET SAUVIGNON

Critic tasting note:

"Young and dense, almost misleading in its soft fruitiness, but there's tremendous power, and despite the appearance of approachability, it would be a mistake not to cellar this wine. It's explosive in fruit and berry flavors, and the tannins are so melted, you could easily open it tonight. But this is a wine with proven ageability. Should begin to mature by 2010 and drink well through 2020, at least."
